*Notes:

- a) Where the client is a company, the beneficial owner(s) is the natural person(s), who, whether acting alone or together, or through one or more juridical person, has a controlling ownership interest or who exercises control through other means.
 - 1. "Controlling ownership interest" means ownership of or entitlement to more than twenty-five percent of shares or capital or profits of the company;
- 2. "Control" shall include the right to appoint majority of the directors or to control the management or policy decisions including by virtue of their shareholding or management rights or shareholders agreements or voting agreements;
- b) Where the client is a partnership firm, the beneficial owner(s) is the natural person(s), who, whether acting alone or together, or through one or more juridical person, has ownership of/entitlement to more than fifteen percent of capital or profits of the partnership.
- c) Where the client is an unincorporated association or body of individuals, the beneficial owner(s) is the natural person(s), who, whether acting alone or together, or through one or more juridical person, has ownership of or entitlement to more than fifteen percent of the property or capital or profits of such association or body of individuals.

d) Where no natural person is identified under (a) or (b) or (c) above, the beneficial owner(s) is the relevant natural person who holds the position of senior managing official.

e) Where the client is a trust, the identification of beneficial owner(s) shall include identification of the author of the trust, the trustee, the beneficiaries with fifteen percent or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.
