All recoveries or payments recovered or received subsequent to a loss settlement under this Policy shall be applied as if recovered or received prior to such settlement and all necessary adjustments shall then be made between the Insured and the Insurers, provided always that nothing in this Policy shall be construed to mean that losses under this Policy are not payable until the Insured's Ultimate Net Loss has been finally ascertained.

To the extent that the Primary Policy incorporates the provisions of contracts and agreements entered into by the Insured this Policy shall likewise apply. In the event the occurrence limit under the Primary Policy is fully exhausted through payment of claims and where as a result of settling the Insured's liability to their passengers (and for their baggage and personal effects) and/or for cargo and mail while it is on board the aircraft arising out of the Insured's operation of aircraft, there is less than or none of the Primary Limit as stated herein available for settlement of the Insured's third party claims, then this Policy will respond to the Insured's legal liability to third parties up to the limit of liability as provided by this Policy and subject to any aggregate limit stated herein not being exceeded.
