Mechanism for continuity of coverage for Individual members covered under the group insurance: In the event of the group policy under which the Insured Person is a covered member and which is being discontinued or not renewed or Insured person leaving the group on account of resignation/termination or otherwise, the Insured Person has the option of taking a standard individual health policy of the Insurer without any benefit of continuity of cover for any additional benefits that the Insured Person may have enjoyed under the group policy and for which additional premium has been charged. In such an event, all the waiting periods as stipulated under the Individual Health policy will be applicable with due adjustment for the Uninterrupted period in completed years for which the Individual was covered under the Group Health policy issued by us. However, any such benefit would be restricted to the maximum of his eligibility of sum insured under the Individual health policy or the sum insured enjoyed by the individual under the Group Health policy whichever is lower. Also, all the underwriting rules and regulations of our Individual health policy would be applicable for acceptance of such risk.

Renewal

This Policy may be renewed by mutual consent every year and in such event, the renewal premium shall be paid to Insurer on or before the date of expiry of the Policy or of the subsequent renewal thereof. However Insurer shall not be bound to give notice that such renewal premium is due. Also Insurer may exercise Insurer's option not to renew the policy on grounds of fraud misrepresentation, or suppression of any material fact either at the time of taking the Policy or any time during the currency of the earlier policies. Renewal premium will be charged as per the age and sum insured at the time of renewal as per the table provided under heading of Premium, however the same may be changed as mentioned under heading of revision of product.

A Grace Period of 30 days is allowed for renewal of the policy. This will be counted from the day immediately following the premium due date during which a payment can be made to renew or continue the Group Health Policy in force without loss of continuity benefits such as waiting periods and coverage of Pre-existing condition / Diseases. The continuity of coverage for all the covers under the expiring policy will be subject to receiving appropriate premium for the same. Coverage is not available for the period for which no premium is received and Insurer has no liability for the claims arising during this period.
